Black è eleganza, fascino, forza.

Alberta sceglie un simbolo di raffinatezza e stile indiscusso per rappresentare la forza della sua nuova collezione. Linee geometriche e volumi accoglienti diventano un segno distintivo dell'azienda, sempre pronta a rinnovarsi per interpretare al meglio lo stile dell'abitazione contemporanea. Tessuti, finiture, colori sono selezionati ed accostati con cura e sapienza sartoriale, per creare prodotti unici ed esclusivi, capaci di "disegnare" lo spazio in cui sono inseriti con personalità ed un pizzico di ironia.

Black is elegance, fascination, strength.

Alberta chooses a symbol of undisputed sophistication and style to express the strength of the new collection. The geometric lines and enveloping shapes become a trademark for the company, always ready to innovate to better express modern living styles. Fabrics, finishes, colours are all carefully and expertly selected and matched to create unique, exclusive products that "design" the interiors with all their personality and a touch of irony.

Black c'est l'élégance, le charme, la force.

Alberta choisit un symbole de raffinement et de style incontesté pour représenter la force de sa nouvelle collection. Les lignes géométriques et les volumes accueillants deviennent un signe distinctif de l'entreprise, toujours prête à se renouveler pour interpréter au mieux le style de l'habitat contemporain. Les tissus, les finitions et les couleurs sont sélectionnés et associés avec soin et un savoir-faire artisanal, pour créer des produits uniques et exclusifs, en mesure de « dessiner » l'espace dans lequel ils sont intégrés avec personnalité et une pincée d'ironie.

Black ist Eleganz, Charme, Stärke.

Alberta entscheidet sich für ein Symbol der Eleganz und für unbestrittenen Stil, um die Stärke der neuen Kollektion zu zeigen. Die geometrischen Linien und behaglichen Formen werden so zu einem Erkennungszeichen der Firma, die jederzeit bereit ist, neue Wege einzuschlagen und den Stil modernen Wohnens gekonnt zu interpretieren. Stoffe, Oberflächen und Farben werden mit großer Sorgfalt und Schneiderkunst ausgewählt und für einzigartige und exklusive Möbel kombiniert. Möbel, die in der Lage sind, den Raum, in dem sie stehen, mit Persönlichkeit und einem kleinen Augenzwinkern zu "designen".

GAME

IT • Il sistema di sedute Game coniuga un disegno essenziale e rigoroso ad una morbidezza avvolgente e una personalizzazione di utilizzo unica. Un'elegante cucitura trapuntata, ispirata al mondo della pelletteria, suddivide il cuscino di schienale in 2 parti imbottite di cui una più piccola, che funziona da poggiareni o poggiatesta a seconda di come viene orientato il cuscino: in questo modo l'utilizzatore può creare il "suo" divano ideale, ottenendo il massimo comfort in ogni situazione, dal relax, alla lettura, alla conversazione.

EN • The Game seating system combines an ordered and essential design with an enveloping softness and a unique level of personalization. An elegant quilting stitching, inspired by the world of leatherworking, divides the backrest cushion in two padded parts. The smaller part functions as lumbar support or head rest, depending on how the cushion is oriented: the user can create "his" ideal sofa, achieving maximum comfort in any situation, from relaxing to reading to conversation.

FR • Le système de canapé modulable Game associe des lignes essentielles et rigoureuses, un moelleux enveloppant et une possibilité de personnalisation unique dans son utilisation. Une élégante couture matelassée s'inspirant du monde du cuir divise le coussin du dossier en 2 parties rembourrées, la plus petite pouvant servir de repose tête ou de soutien pour le bas du dos, en fonction du sens dans lequel on place le coussin. De cette façon, l'utilisateur peut créer son propre divan idéal, obtenant ainsi un maximum de confort pour toutes les situations: la détente, la lecture, la conversation.

D • Das Sitzmöbelsystem Game verbindet essentielles und striktes Design mit wohliger Weichheit und einzigartiger Personalisierung bei der Verwendung. Eine elegante Steppnaht, inspiriert von der Lederwarenindustrie, teilt den Rückenpolster in 2 verschieden große Teile mit weiteren Steppnähten, und der kleinere Teil kann je nach Ausrichtung des Rückenpolsters als Nieren- oder Kopfkissen dienen. So hat der Kunde die Möglichkeit „sein“ individuelles Sofa zu schaffen und muss dabei in keiner Situation auf den maximalen Komfort verzichten – vom Entspannen über das Lesen bis hin zur Unterhaltung.
