BLACK collection

Black è eleganza, fascino, forza.

Alberta sceglie un simbolo di raffinatezza e stile indiscusso per rappresentare la forza della sua nuova collezione. Linee geometriche e volumi accoglienti diventano un segno distintivo dell'azienda, sempre pronta a rinnovarsi per interpretare al meglio lo stile dell'abitazione contemporanea. Tessuti, finiture, colori sono selezionati ed accostati con cura e sapienza sartoriale, per creare prodotti unici ed esclusivi, capaci di "disegnare" lo spazio in cui sono inseriti con personalità ed un pizzico di ironia.

Black is elegance, fascination, strength.

Alberta chooses a symbol of undisputed sophistication and style to express the strength of the new collection. The geometric lines and enveloping shapes become a trademark for the company, always ready to innovate to better express modern living styles. Fabrics, finishes, colours are all carefully and expertly selected and matched to create unique, exclusive products that "design" the interiors with all their personality and a touch of irony.

Black c'est l'élégance, le charme, la force.

Alberta choisit un symbole de raffinement et de style incontesté pour représenter la force de sa nouvelle collection. Les lignes géométriques et les volumes accueillants deviennent un signe distinctif de l'entreprise, toujours prête à se renouveler pour interpréter au mieux le style de l'habitat contemporain. Les tissus, les finitions et les couleurs sont sélectionnés et associés avec soin et un savoir-faire artisanal, pour créer des produits uniques et exclusifs, en mesure de « dessiner » l'espace dans lequel ils sont intégrés avec personnalité et une pincée d'ironie.

Black ist Eleganz, Charme, Stärke.

Alberta entscheidet sich für ein Symbol der Eleganz und für unbestrittenen Stil, um die Stärke der neuen Kollektion zu zeigen. Die geometrischen Linien und behaglichen Formen werden so zu einem Erkennungszeichen der Firma, die jederzeit bereit ist, neue Wege einzuschlagen und den Stil modernen Wohnens gekonnt zu interpretieren. Stoffe, Oberflächen und Farben werden mit großer Sorgfalt und Schneiderkunst ausgewählt und für einzigartige und exklusive Möbel kombiniert. Möbel, die in der Lage sind, den Raum, in dem sie stehen, mit Persönlichkeit und einem kleinen Augenzwinkern zu "designen".

Alessandro Castello and Maria Antonietta Lagravinese met in one of the most important studies of design and architecture in Milan, where they matured and broadened their experience in product, graphic, set and interior design. In 2008 they created the brand ONLYMITED featuring a collection of limited edition pieces inspired by the world of fashion. In addition to being artistic directors for ONLYMITED they collaborated as designers with important companies in the world of contemporary and classic furniture. In 2014, in collaboration with Alberta, they designed the Controluce collection, an exquisitely tailored collection, with finishes and details inspired by the world of fashion, always the undisputed testimony of Italian style around the world, and Black collection, a selection of exclusive products that "design" the interiors with all their personality and a touch of irony.

Sergio Bicego

DIAMANTE sofa

He began almost by chance his experience in the upholstered furniture field after leaving his classical studies. Fascinated by the world around him, he dedicated himself, full of enthusiasm, to the new shapes and technical construction research, which uses in the companies where he works. In 1991 he opened his own studio as freelance designer. New ideas will bring him to the development of many projects. In 2016 he starts the collaboration with Alberta and creates the models Alcove and Fortyfive. In 2022 he developed the model Diamante for Alberta.
