BELLAVITA

dormeuse

Disponibile con rivestimento in tessuto o pelle. Forme arrotondate (che richiamano dei guanciali) e trapuntature su seduta e schienale caratterizzano la dormeuse modello Bellavita che va ad arricchire una gamma che comprende già diversi moduli, poltroncine e il letto disponibile in diverse soluzioni di testata. E' presente anche di serie un poggiatesta in piuma d'oca. I piedini nascosti donano leggerezza all'insieme.

Fabric or leather cover. Soft and rounded shapes (that evoke pillows) and the quiltings on backrest and seat, characterize the Bellavita dormeuse, which enriches a range that includes several modules, small armchairs and a bed available with different headboards. The headrest in goose feathers is provided standard with the backrest. Looks like it's floating thanks to its concealed feet.

Disponible avec revêtement en tissu ou cuir. Des formes arrondies (qui rappellent des oreillers) et piquées sur l'assise et le dossier caractérisent la nouvelle dormeuse modèle Bellavita qui vient enrichir une gamme comprenant déjà différents modules, des fauteuils et un lit disponible avec différentes solutions de tête de lit. Un appuie-tête en duvet d'oie est également présent en série. Les pieds flottants apportent de la légèreté à l'ensemble.

Verfügbar mit Stoff oder Leder bezug. Abgerundete Formen im Einklang mit den Kopfkissen. Die Sitz- und Rückenpolsterungen sind mit Steppnähten versehen. Das Dormeuse-Modell Bellavita bereichert eine Produktreihe, in der neben verschiedenen Modulen und Armsesseln auch ein Bett mit diversen Kopfteil-Lösungen vertreten ist. Das BELLAVITA Dormeuse umfasst serienmäßig eine Kopfstütze mit Polsterung aus Gänsefedern. Die unsichtbaren Füße sorgen dafür, dass die Struktur schwerelos wirkt.

THEO/THEO SLIM THEO 2/THEO SLIM 2

Disponibile in pelle e tessuto. Le finiture e l'attenzione ai dettagli lo rendono un prodotto accattivante e dalla forte personalità. THEO risulta essere, quindi, un modello rassicurante per linee e comfort e allo stesso tempo grintoso e "fuori dagli schemi". La sua morbidezza contrasta con la linea grafica della cucitura che definisce le forme del divano e lo rende un modello prezioso e unico. La cucitura può essere a contrasto o tono su tono. In gamma vi sono elementi con due braccioli, componibili e una gradevole poltroncina con braccioli più stretti rispetto ai divani. Gli elementi sono disponibili con rete elettrosaldata e materasso in poliuretano espanso ad alta densità. Il modello è disponibile, inoltre, nella versione con bracciolo stretto (THEO SLIM), senza gonna con bracciolo standard (THEO 2) o stretto (THEO SLIM 2).

Leather and fabric covers. The finishing and the attention to the details make it a product with a strong personality. THEO combines a safeness image (thanks to its lines and comfort) with an unconventional taste. Its softness contrasts with the graphic line of the stitching which defines the shapes and makes it unique and precious. The stitching can be contrasting or "ton sur ton". The range of the model includes items with two armrests, sectional elements and an attractive armchair with narrower armrests than the sofa. The sofas can be equipped with electrically-welded spring and high density polyurethane foam mattress. The model is available also with a thin armrest (THEO SLIM), without flowing cut with standard arm (THEO 2) or thin arm (THEO SLIM 2).

Recouvrement en cuir et tissu. Les finitions et l'attention aux détails en font un produit captivant à la forte personnalité. THEO est donc un modèle rassurant grâce à ses lignes et son confort, mais est en même temps dynamique et « hors norme ». Sa souplesse contraste avec le graphisme de la couture qui définit les formes du canapé et en fait un modèle précieux et unique. Coutures selliers, contrastées ou ton sur ton. Cette gamme comprend des éléments avec 2 accoudoirs, des éléments sectionaux et un fauteuil attractif avec des accoudoirs plus étroits que le canapé. Les éléments peuvent être prévus d'un sommier électrosoudé et matelas en mousse de polyuréthane haute densité. Le Theo est disponible avec accoudoir étroit (THEO SLIM), sans jupe avec accoudoir standard (THEO 2) ou accoudoir étroit (THEO SLIM 2).

Erhältlich in Leder und Stoff. Die Oberflächen und die Liebe zum Detail machen es zu einem attraktiven Produkt mit einer starken Persönlichkeit. THEO ist ein komfortables Modell mit vertrauten Linien, das zugleich aus den bekannten Schemen ausbricht. Seine Weichheit steht im Kontrast zu den grafischen Linien der Nähte, die die Form des Sofas definieren und macht es zu einem wertvollen und einzigartigen Modell. Die Nähte können Ton in Ton oder kontrastierend gewählt werden. Die Serie ist kombinierbar und beinhaltet Elemente mit zwei Armlehnen, mit einer Armlehne sowie einen schönen Sessel mit schmalen Armlehnen als die Sofas. Die Elemente sind mit Stahlfedern oder mit einer dichten Polyurethanschaum-Matratze verfügbar. Es ist auch eine Version mit schmalen Armlehnen (THEO SLIM) verfügbar. Das Modell ist zudem auch in einer Version ohne Rock mit Standardarmlehne (THEO 2) oder mit schmaler Armlehne (THEO SLIM 2).
