alberta

Ha ispirato la sofà bed collection la volontà di raggiungere con il valore estetico la portata del valore pratico che da sempre domina il concetto del divano letto. Abbiamo così unito un design raffinato e contemporaneo ad una comodità indiscutibile garantita dall'impiego di reti e materassi di grande qualità e dai semplicissimi meccanismi di apertura. Bandito il concetto di provvisorio. Sono nuove interpretazioni per nuove situazioni. Il risultato deve essere sempre impeccabile.

*Our collection of sofa beds has always been designed around combining great looks with practicality. By using only the highest quality mattresses and simple opening mechanisms our beautifully designed sofa beds are never a compromise between comfort and functionality. They are, simply, the best of both worlds. New ideas for new realities. The result, as ever, is impeccable.*

A black and white photograph of a young woman with dark hair, laughing heartily. She is wearing a light-colored, short-sleeved button-down shirt. She is holding a plain white mug in her right hand, which has a ring on the ring finger. Her left arm is bent, with her hand resting against her chest. The background is a bright, possibly overexposed room with some framed pictures or posters on the wall.
